

Welcome to The Kartrite! We hope you are ready because your Kartrite adventure is about to begin! Please don't hesitate to let us know if there's anything we can do to make your stay even more amazing!

We begin our check-in process at 4:00 PM. However, you are invited to use the waterpark and our other facilities if you arrive prior to that time. Full payment for your stay and an authorization for \$150.00 as a security deposit will be processed on the credit card used upon check in. Authorizations are released on checkout day and depending on your bank the release can take up to 7-10 business days. A valid ID and credit card is required for check-in.

Per your arrival, we will pre-register you and confirm your number so that we can contact you once your room is ready. Pre-registered guests will have a specific line designated at the hotel front desk for guest room key pick up. There is no need to wait in the general check-in line once you have been told that your room is ready.
